2021 10th International Conference on POWER SCIENCE AND ENGINEERING

Submission Deadline: May 10, 2021
ISTANBUL, TURKEY | OCTOBER 21-23
ICPSE 2021

ICPSE 2021 invites proposals for special sessions to be held on Oct. 21-23, 2021 in Istanbul, Turkey. We expect that special sessions could complement the regular technical program by highlighting new and emerging research topics or innovative applications of established approaches. The topic of a special session proposal should be timely and compelling.

Each organized special session should have a minimum of 5 papers. The session organizers have full authority in soliciting papers for the session. Each session is limited to no more than 2 organizers and the session organizer can designate a chair and a co-chair for the session.

SPECIAL SESSION PROPOSAL

Proposers should submit the following information with their submission. Please submit your proposal (PDF file) to conference email (Email: secretary@icpse.org) before May 10, 2021.

- ▶ Special session title
- ▶ Short description of the proposed topic (within 200 words)
- ▶ Novelty and motivation: Please explain why the topic of the special session is novel and timely (around 100-200 words)
- ▶ Biography of organizers
- ▶ Potential Participants

More information, please visit at <http://www.icpse.org/call-for-sessions.html>
